Salado Education Foundation
Innovative Teaching Grant
DUE: 4PM Friday August 30, 2024

Submit by email: saladoeducationfoundation@gmail.com OR to Bunny Pierce at SMS
(electronic or paper copies will be accepted)

This is a competitive grant for Salado I.S.D. staff and administrators. The goal of this grant is to provide innovative resources to support student education. All timelines will be strictly followed. The Salado Education Foundation has the right to accept or reject any or all grant proposals. A committee will read and select the grants. Grant selection will be based upon **innovation, creativity, collaborative efforts, and instructional or professional development**. Grants will be awarded in September 2024.

The Salado Education Foundation recognizes the need for creativity and technical expertise in our fast-paced global society. Our vision is for innovation in education through the integration of 21st century skills into the teaching and learning process. The Innovative Teaching Grants are given in hope to contribute to a common course of action in addressing rising academic and student expectations, while considering the future demands needed in a more globally competitive workplace.

In applying for the Innovative Grants, consider how at least one of the following areas could be incorporated into your classroom:

- How can students or teachers use real-world digital and other research tools to access, evaluate and effectively apply information?
- What can we do to help students work independently and collaboratively to solve problems and accomplish goals?
- What ways would enable students to communicate information clearly and effectively using a variety of tools/media?
- What would enable students to apply/analyze information, synthesis, and evaluative processes for effective problem solving?
- How can we encourage students to demonstrate personal responsibility, character, cultural understanding, and ethical behavior?
